

Delaware Hospital Policies on Food Donations

Bayhealth

If it is from a licensed, professional kitchen, they will gratefully accept the donation. Ideally items should be individually wrapped, but that is not always possible (pizza, subs, etc.). Bayhealth uses Meal Train so donations can be organized and distributed amongst the staff.

Sussex Donations: <https://mealtrain.com/e896ml>

People can give everything from meals to snacks and water- with all the different department sizes, nothing will go to waste.
