

# MARVIN S. GILMAN SUPERSTARS IN BUSINESS

Established in 1998, the Superstars in Business awards are given annually in honor of Marvin S. Gilman, who was a distinguished small business leader in Delaware. We are proud to have been shining a spotlight on Delaware businesses and nonprofits for their outstanding achievements and model approaches to business and management for the past 25 years.

“Cover & Rossiter was honored to be named by the State Chamber of Commerce as one of the Marvin S. Gilman Superstars in Business. I believe our team was inspired even more by this award to achieve our goals of being client focused and future ready. The recognition as a Superstar in Business helps us to let others know that our accounting firm has great people, providing great advice to the Delaware community.”

– **Marie Holliday, Managing Director, Cover & Rossiter**  
**2012 and 2018 Superstar in Business**

“The Marvin S. Gilman Superstars in Business award is meaningful to us because it comes from our peers. The Delaware community is important to us, and it was extremely gratifying to be recognized by those we most respect.”

**1998, 2011, and 2016 Superstar in Business**
