IN CASE YOU MISSED IT

**Sen. Sarah McBride:** I joined fellow elected officials and local business leaders to cut the ribbon at the newly renovated offices of the **Delaware State Chamber of Commerce** this morning! The space looks great and it was wonderful to see so many of the hardworking team at the DSCC and Delaware business leaders. Together, we can foster a thriving economy and shared prosperity for Delaware's businesses and workers alike.

**Erin Wood:** Dr. Nevin, CEO of Christiana Care is an incredible person! She is kind and truly cares about people. This event held a special place in my heart because Christiana Hospital saved my life. So I thought it was an appropriate time to share a very short version of what happened, in order to express gratitude for her team saving my life. After the event many people approached me to talk and to share similar stories, to say hello, and to of course talk about radio advertising. Wonderful networking event today.

Also, the University and Whist Club building is very cool! It's a must visit!

**Leadership Delaware:** Yesterday, Leadership Delaware Fellows and Alumni came together to hold our third annual workshop in partnership with [@InternDelaware](#) discussing the importance of public speaking. Participants covered topics such as body language, projection, diction, preparation, and more.

Thank you to [@DEStateChamber](#) and [@The\\_DYPN](#) for creating spaces like this for the future leaders of our state.

**Marlana B:** ✨ Reflecting on a Wonderful Evening at the Faithful Friends Animal Society Mixer! ✨

Last night, I had the pleasure of attending the Evening Mixer at the beautiful **Faithful Friends Animal Society** facility. It was a fantastic opportunity to network with fellow professionals and learn more about the incredible work being done to support animals in need. ...

If you're passionate about animal welfare, I encourage you to consider supporting this amazing organization in any way you can.

Looking forward to future events and continuing to support this wonderful cause! Thank you to the **Delaware State Chamber of Commerce** for organizing such a meaningful event.
