IN CASE YOU MISSED IT

## Chanell Autrey:

This week, I met with Delaware Attorney General Jennings and discussed ongoing efforts to combat organized retail crime. With nearly two dozen individuals representing large

and small retailers, we had a productive conversation on continued collaboration. A huge thank you to the [Delaware State Chamber of Commerce](#)/Delaware Retail Council for coordinating and hosting the meeting.

**Delaware Business Roundtable:** "I started as a shop boy at my dad's company and now we're five generations strong."

Congrats DiSabatino Construction

President Larry DiSabatino on being honored with the [@DEStateChamber's](#) Gilman Bowl 🏆

**Kathryn Gillis:** Last week I had the pleasure of participating in Principal for a Day at [Polytech High School!](#) I was blown away by their comprehensive curriculum which challenges students to try new things and get a jumpstart in pursuing their chosen paths. In this kind of environment, students are prepared to pursue whatever may call them, and I am proud these opportunities exist right here in Kent County.

I especially loved getting to visit the construction shop, where I had the chance to interact with the next generation of skilled trades workers. What a fun way to celebrate Careers in Construction Month! Thank you to Polytech for the hospitality, and thank you to the [Delaware State Chamber of Commerce](#) for organizing. [#DEPFAD](#)

## Appoquinimink High School: Dr.

Colleen Keith, president of [Goldey-Beacom College](#), stepped in Friday to serve as "Principal for a Day" of Odessa High School DE! As principal, Dr. Keith toured the school (alongside OHS's Dr. Deangelo Eley), dropped by a marching band practice, and visited some of the school's pathways! Please join us in thanking Dr. Keith for taking the time to visit OHS and to the [Delaware State Chamber](#) for coordinating the Principal for a Day program. [#appoproud](#) [#apposhines](#)

**Tyler Micik:** Tonight I attended my first meeting as a member of Governor-elect Matthew Meyer's Education & Livelihoods Transition Committee. The

group's focus is on [#education](#), [#economicdevelopment](#), and [#labor](#). I'm honored to have been invited to the table to share my thoughts and proud to represent the [Delaware State Chamber of Commerce](#). I'm looking forward to our meetings over the next few weeks and excited to provide feedback that hopefully benefits [#businesses](#) and all Delawareans. Let's get to work! 🙌

**@The\_OG\_EDiS:** Honored to attend the 26th Annual Superstars in Business Awards Luncheon! Congrats to all the winners making a difference in our community. 🌟 [#BuildingWhatMatters](#) [@DEStateChamber](#)
